Dear Lynn,

Thnaks for your response! It was very late when I rec'd it so I will answer the bulk of it tomo, but I needed a few answers in order to deal with some immediate issues...

1) re apt and flt

thanks for advg the dates. I understand that its available for the 18th earliest and I would not expect you to work on Sunday. I rec'd your message to late to contact China Airlines. Let me see what I can find out tomo ( I fortunately don't have to appear in court tomo in Connecticut!!!) and I will keep you posted.

2) re Betta

a. noted it can be used in the USA, but we can't use in Australia since.... THis is great news!!!! We now have a license!!!

b. I am not clear on whether we can do a separate color or do we have to use the yellow as used for the chinese domestic market. If we can use a different color, pls adv if there is one in particular and if so what is the pantone#????

C. I will need the font (type) name use in the lettering???? Pls kindly adv asap as i need to get Arnell working on this as fast as possible.

D. You know that on the back of Laura Ashley, i did a "blirp" write up on the slipper and the wonderful world of LA. I need to get some back ground on Betta and also in the Blirp can I mention in austraia since ...---this show sthe longevity of the name....

e. could you send me a pdf or j-peg of what you packagin looks like as a reference????

3) re mini quilting fabric

I think last year you showed me some fabric that was actually mini squares sewn together. I need the actual thing not printed to look like a quilt. the squares are about 1 or 1.5 ". this is an important material, pls let me know if I remeber correctly or not.

Thanks & rgrds Irene-Luisa
